Business:

Teesta university (the first private university in Rangpur district) has been approved by Ministry of Education, People`s Republic of Bangladesh and the University Grants Commission on April 11, 2023. The University aims at advancing knowledge transfer, innovating new knowledge, building skilled manpower and eliminating regional educational disparities. As a new university, we have the opportunity to create a culture of excellence, innovation, and diversity that will distinguish us among the leading institutions of higher education in Bangladesh and beyond. We are committed to providing our students with a world-class education that prepares them for the challenges and opportunities of the 21st century.
